SPANY

Continued From First Page

bauchery and degradation of  
the Poindexter position is  
ridiculous, but in its effect  
absolute battery of pro-  
fessionals.

But George Clark con-  
stantly and declares State-  
tion unconstitutional. The  
dexter's old chieftain and  
mind in the brewers' brig-  
and, the legal headlight in  
that wanted to run a steam-  
er Hogg and the com-  
and now we will not say P-  
fopped. That word is harsh  
will just suggest that he  
tumble, and when invited to  
Come Johnson to the Dallas  
went out of his way to bring  
to the campaign to show you want.  
he wore "Barley's" label and  
gram, and again lived up  
to the campaign. He was  
that if they could repeat the  
serpentine frauds again that  
was Governor, he would  
and become their friend and  
story prohibition, something that us by  
godly minority, with all the  
ness, could never do. The  
started out as a drunken  
comes no intolerable "gold-  
he heaped venom and vilified  
W. J. Bryan, one of America's noblest  
men and the greatest living Dem-  
ocrat, regularly nominated, and put  
on the liberty of Wall Street, and with  
impudent arrogance and haughty dis-  
dain toward our noble nominees, join  
George Clark again in a small  
against W. J. Bryan in 1896, and  
July 14 of that year, scornfully re-  
fused to join in a national meeting at  
Cleveland, and in a public interview  
in the Dallas News said delegates  
who nominated Bryan had been ex-  
cised under a red flag of anarchy and  
were followers of Hitler. Most  
boasted that in twelve years he  
been lighting since revealed them-  
selves as liars.

When the railroads, which had  
accepted great land bonuses running  
to millions of acres under laws that  
compelled them to build and operate  
competing lines in Texas, had ig-  
nored all those laws and, although in  
Constitution which forbade them to  
use one dollar's worth of stock or  
bonds except for money actually spent  
in building and equipping said roads,  
had issued, pooled and appropriated  
millions of stocks and bonds and  
watered their stock in flagrant violation  
of that Constitution, and were making  
millions for their Wall Street man-  
agers and loading the roads with debt  
swindled investors in violation of  
law, filing a fraudulent suit by  
which they could load the people with  
exorbitant rates and Jim Hogg and  
his companions were as anxious as  
any to correct these evils and estab-  
lish a Railroad Commission. Judge  
Poindexter was among the leaders  
of that crowd that lined up in defense  
of these alien and high-handed pri-  
vileges, and because they could not  
control the Democratic party and com-  
pel it to serve and protect these great  
privileges, he set about to kill the  
Democratic party and the Railroad  
Commission, and helped organize  
negroes, huns, miscreants, mis-  
creants and a host of hoodlums for  
that purpose. They effected a coalition  
with the Republican party and, back-  
ed by the corporations, the shame of  
the ethics and negro quarters every-  
where were sent and sent for  
votes. A whisky plank was put in  
the platform bearing all the marks  
of that infamous traffic, and  
with whisky-plank and by an an-  
nuary of money made bonds and law-  
yers, in which Judge Poindexter was  
the chief of staff they held the  
regular convention and they ran  
Judge Clark, the leading corporate  
lawyer of the State and the most  
noted anti-prohibitionist in Texas, for  
Governor. Their money and brains  
gave the crowd a measure of respect-  
ability, but the integrity of their de-  
signs and the Democratic party  
and its principles and patriotic lead-  
ers has never had a parallel in such  
recent times.

And yet Judge Poindexter while in  
this campaign, asking the Democratic  
party to complement him with a seat  
once honored by the loved and lamented  
Hogg, tells us with taunting inno-  
cence that the days when he abused,  
maligned and vilified Hogg and his  
hundred and tried to destroy the Demo-

**TIME IS THE TEST.**  
The Testimony of Greenville People  
Stands the Test.  
The test of time is what tells the  
tale. The public soon finds out when  
misrepresentations are made, and  
merit alone will stand the test of  
time.  
Greenville people appreciate merit,  
and many months ago local citizens  
publicly renounced Doan's Kidney  
Pills; they do so still. Would a citi-  
zen make the statement which fol-  
lows unless convinced that the arti-  
cle was just as represented? A cure  
that lasts in the kind that every suf-  
ferer from kidney ills is looking for.  
J. S. Henry, South Hill, Greenville,  
Texas says: "I have had no occa-  
sion to use Doan's Kidney Pills or  
any other kind of remedy since 1902.  
At that time I gave a public state-  
ment, recommending Doan's Kidney  
Pills and telling how they had cured  
me of a severe attack of kidney com-  
plaint. As the result of this trouble,  
my back ached so severely at times  
that I could scarcely get around. My  
kidneys were also disordered and the  
passage of the kidney secretions were  
irregular. Learning of Doan's Kidney  
Pills, I procured a supply from Ford  
& Pennington's Drug Store and they  
cured me promptly. I consider Doan's  
Kidney Pills the best remedy for kid-  
ney complaint to be had."  
For sale by all dealers. Price 50  
cents. Foster-Milburn Co., Buffalo,  
New York, sole agents for the United  
States.  
Remember the name—Doan's—and  
take no other.
